

# CYCLE SOLUTIONS

GETTING BIKES TO WORK

## ***NEW BIKE SHOP Now Open in North Corvallis!!***

### **Cycle Solutions is now open at 968 NW Circle Blvd**

(That's in the Richey's Market area, behind Citizens Bank and a few doors down from Papa Murphy's Pizza)

Our focus is on family cycling and practical transportation cycling, like commuting and cargo biking, but we are here to serve all cyclists.

We have great bikes on the floor, including the Xtracycle Radish and the Yuba Mundo. We stock the Xtracycle FreeRadical system and most of the Xtracycle accessories.

We carry gear for all of your cycling needs— lights, bells, locks, lubes, mirrors, tools, pumps, fenders, rainwear (including Rainlegs chaps), racks and bags.

If you aren't sure *how* to get your bike to work, we offer the League of American Bicyclists Bike Education courses. Gain the knowledge and skills to enjoy riding your bike for daily transportation, or just for fun.

Yes, we service all types of bikes. Beat the spring rush and bring your bike in for professional and caring service soon! **Call 740-0497** to schedule service.

#### **HOURS:**

Tue-Fri 9am-6pm

Sat 9am-4pm

Open early by appointment for bike dropoff, Wednesday and Friday.
